@ Tell us about yourself:

I've been married 11 years come Sept. 23rd. We have 3 small children; 1 boy and 2 girls. We have a cat named Curly. He's 11 years old. I enjoy having tea time with the ladies, just encouraging each other and letting others know they are not alone. I like to go out and about without the kids and have dates with my husband. :) I like decorating, rearranging my home, and going antiquing.

@ Why did you want to be a Restored by Love Mentor?

I have a heart for young girls. Each one needs to know they are loved and valuable. And if I can be a friend to help someone through their difficult time, I want to do it. To be a voice from God.

@ What do you think you can contribute as a mentor?

A listening ear, a little life experience, wisdom from God's Word.

@ What are some lessons you've learned that you would like to share with the girls of Restored by Love Ministries?

God has a purpose and plan in all things. His plan is what I want because my plans would fall so short compared to what He has for me. Figure out while you are young what kind of woman you want to be and start working towards that NOW.

@ What are some mistakes that you've made that you want RBL girls to avoid?

Mistakes!?! Lol. Focusing on boys and making my own plans for myself.

© Is there anything else you'd like struggling young women to know?

You are loved, you are valuable. What you've been through and are going through now can be used by God. Don't believe Satan's lies. He's fighting for you but will never love you or be on the look out for you. Turn to God and turn it all over to Him. Rest in Him. He is where you find peace.
