@ Tell us about yourself:

I am married to a wonderful man. We were married in June 2009. Don't have any kids, though I like to think that my girls are my kids and family. No pets, we both travel to much to have a pet though I would love to have a chocolate lab someday. I love ministry of all forums, I am a prayer worrier, a worshiper, and evangelist. I also like cooking and trying new things, and enjoy reading in my free time. Though I fly a lot I would really rather drive across country. I was a prostitute in the escort services in LAS VEGAS, (the public calls it "HIGH CLASS CALL GIRL") in the casinos, on the street, and I was an exotic dancer in the clubs. I did almost everything that you can imagine, saw and met people that I would never have thought would have even "ordered" a girl. MANY of them were very famous stars and influential people in society... I lived this lifestyle for over 11 years... and it just didn't happen overnight. I am a survivor of Post Traumatic Stress Disorder, domestic violence, sexual abuse, cancer, drug addiction, abortions, miscarriages, pornography, anorexia, and bulimia.

@ Why did you want to be a Restored by Love Mentor?

Even though I have my own ministry that keeps me pretty busy, I have a heart to help the lost find love in Christ and to help them reach their full potential. I want to be a mentor because if I myself had not had a mentor who helped me find Christ I would not be alive today, and I am so thankful for that one person who reached out and didn't give up on me.

@ What do you think you can contribute as a mentor?

I think I have a lot to offer the girls, I have been through many things that some might only imagine or see on television. I have a very big heart, and have a huge passion for Jesus and for the lost, broken, and hurting. I can listen, pray, offer advice and be a friend to point you in the direction of Christ.

🕒 **What are some lessons you've learned that you would like to share with the girls of Restored by Love Ministries?**

That no matter how hard and hopeless something seems there is always a way out. Jesus loves me and will continue to love me no questions asked despite what I have done or what I will do. God loves us unconditionally, and it doesn't MATTER where we have been and how many wrong things we may have done. It's important to forgive others so you can let go and move on but more importantly it is important to forgive yourself.

🕒 **Is there anything else you'd like struggling young women to know?**

I think it's important that the girls know they are not alone, that there are many girls who have struggled with different issues and who have overcome them.

🕒 **What is your favorite bible verse and why?**

"THEREFORE IF ANY PERSON IS IN CHRIST HE IS A NEW CREATION; THE OLD HAS PASSED AWAY. BEHOLD, THE FRESH AND NEW HAS COME"! 2 Corinthians 5:17

"YOU HAVE OVERCOME, CONQUERED HIM (Satan) BY MEANS OF THE BLOOD OF THE LAMB AND BY THE UTTERANCE OF YOUR TESTIMONY, FOR YOU DID NOT LOVE AND CLING TO LIFE EVEN WHEN FACED WITH DEATH, HOLDING YOUR LIFE CHEAP TILL YOU HAD TO DIE FOR YOUR WITNESSING" Revelation 12:11 (amp version)
