

## **Mentor Profile: Brittany**

**Email: [patchworkpaths@gmail.com](mailto:patchworkpaths@gmail.com)**

☉ **Tell us about yourself:**

**I am single. I have three dogs (Chico, Chica, and Cheyenne) and 6 cats (Shadow, Lil Man, Zippy, Lilly, Fluffy, Onyx). Some hobbies I have: soccer, cooking, baking, reading, music, volleyball, running, serving the Lord.**

☉ **Why did you want to be a Restored by Love Mentor?**

**I feel the Lord wants me to be ministering and serving Him in this way. He has brought me thorough a lot of things and put people in my life to support me and I have come to appreciate that and know that without those people I probably would not be where I am today.**

☉ **What are some lessons you've learned that you would like to share with the girls of Restored by Love Ministries?**

**God is ALWAYS good. Even when it seems that He is not there or you don't understand why He is allowing something to happen, He has everything under control and hears your every prayer.**

☉ **What do you think you could contribute as a mentor?**

**I want to be someone to be there to talk to when needed and someone to encourage girls towards God.**

☉ **What are some mistakes that you've made that you want RBL girls to avoid?**

**Holding things in and not talking to people about what you have been through. If you don't speak up it will eat you up inside.**

**@ Is there anything else you'd like struggling young women to know?**

**It's going to be ok. For some of you I have been where you are and understand how hard it is to move on and especially how hard it is to learn to trust people again. It takes years to be able to even start to trust at all. You will get there though. God is good and He will allow you to heal in HIS time. Strength really does come as we wait for His whispers.**

**@ What is your favorite bible verse and why?**

**Proverbs 3:5-6 – it reminds me that God is the ONE to trust**

**John 14:27 – it reminds me to have peace in all situations, even when it seems things will never work out**
