☉ **Tell us about yourself:**

I am single and loving it! I also have a little Yorkie as a pet, his name is Rascal and he has stolen my heart.

☉ **Why did you want to be a Restored by Love Mentor?**

I want to mentor for RBL because I want to help other girls realize that no matter where they are at or what they have done God still loves them. I want to be that person that the girls can look up to, and I can help them become amazing women of faith.

☉ **What are some lessons you've learned that you would like to share with the girls of Restored by Love Ministries?**

God loves you even after He's seen everything you've done. He is the only person that will never let you down, and will always be there to talk.

☉ **What are some mistakes that you've made that you want RBL girls to avoid?**

One mistake that I've made that I want the RBL girls to avoid is running to other coping skills instead of crying out to God. He is always the most safe, most understanding, and least destructive thing to go to.

☉ **Is there anything else you'd like struggling young women to know?**

Unless you pour out your pain, God can't fill you up with his love, mercy and grace!
