This resource is for anyone who dares to let the truth of God's Word transform your life and your mind.

It is intended to aid you in combating the lies Satan often fills our minds with. The intent of this resource is that you would memorize the scriptures in each category and be able to use those scriptures to gain and grow in freedom and live a life of victory in Christ. God's Word says, "Whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy- meditate on these things." Our prayer for you is that you might learn to fix your eyes on Truth and find freedom that is found in Christ alone.
